Field Safety Orientation:

Friday, April 28th, 2017

Location: UNBC (Prince George)

Time: 9 am to 5 pm

The Field Safety Committee is sponsoring a training session for anyone planning to conduct wilderness-based field research in association with UNBC. Pre-workshop materials will be provided to registered UNBC participants through UNBC's Blackboard system. There will be a nominal fee of \$20/participant for the session to facilitate the purchase of necessary supplies. All participants who pay the fee, and complete the pre-workshop materials and the field session will receive a certificate of completion. Additionally, your participation will be registered with the Risk & Safety Office to show you have completed this safety training.

Safety Topics

- *Wildlife Safety*
- *Vehicle Safety*
- *Hazard Awareness*
- *Field Navigation*
- *Working Around Water*
